What our clients say....

"Katie dealt with a number of property transactions for me. There was no fuss or bother, just an efficient service which I appreciated."

Eddie Hunt, Business Consultant

"As a property developer I have used Katie and Lynn for around 8 years for purchasing and selling sites. In that time I have found them to be efficient and accurate in their work, communication skills are good and a timely response is normal. I would not hesitate to recommend them for conveyancing work."

Dave Ward, Castillion Homes Ltd

"Anca has been instrumental in the development of our medical services project. From the concept stage to finalising practitioner's contracts, her expertise has been invaluable. She has worked seamlessly with Katie to help us secure our first choice location and the appropriate deal for our state of the art medical centre."

David Shapiro, Surgeon, Co-Founder of the London International Medical Centre Ltd

"I am very pleased with the service provided by Lynn Hobbs to our clients. Lynn's advice is of the highest quality and she responds very quickly to meet our clients' needs."

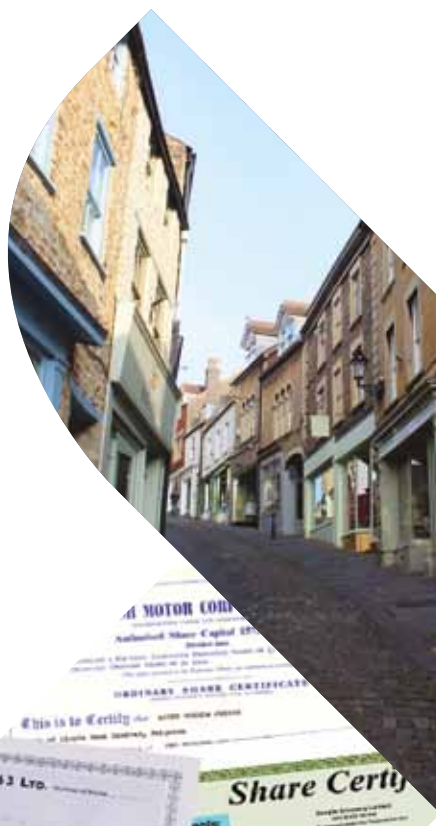

Neil Phillips, Phillips Chartered Accountants

"Alasdair is the consummate professional. With many years of hands on experience and a wealth of knowledge in both employment law and HR, I have no hesitation in recommending Alasdair's services."
